

DHI-ISC-ET5-L012

Super Lanyard L250 Silver

- It needs to be used with an EAS anti-theft tag.
- It will not damage the commodities.
- It has a thicker wire rope, providing a higher level of protection.

Introduction

Fixed with the anti-theft tag, the lanyard can play a fixed role that prevents the tag from falling off from the product. The lanyard is light and firm, as well as simple to operate. It plays a role in fixing anti-theft tags without damaging the product.

Features

Wide Application

Suitable for most of the products that need anti-theft tags.

Harmless to Product

Fix the anti-theft tag with the lanyard without damaging the product.

Thicker Wire Rope

It has a thicker wire rope, providing a higher level of protection.

Scene

Suitable for malls, clothing stores, stores and more.
