AM Waythcare-D Tag T201

- New and unique unlocking method.
- Higher protection level.
- High detection rate and excellent anti-theft effect.
- Environmentally friendly and economical, can be reused after unlocking.

Introduction

Featured special unlocking method, the Pin Hole Tag meets the requirements of high-level protection through its special structure. Distinguishing from ordinary magnetic EAS tags, the tag equipped with a double-hole contact design is hard to open during theft with self-purchased magnets. Moreover, its special electric unlocking device contributes to more convenient control for users and a higher unlocking success rate.
