

DHI-ISC-ED0008

Detacher L43 Black 5500

- Convenient to use.
- Easy to fix. The lanyard can prevent the detacher from loss.

Introduction

Equipped with a spring lanyard, the EAS Detacher can be easily fixed on the cash register where the cashier can get it at any time, which prevents the detacher from loss. It features easy disassembly for various EAS tags and easy use.

Features

Convenient Use

The detacher is simple to use, which can remove different types of tags or pins from the commodities.

Easy Fix

The included spring lanyard limits the use of users within the specified range to prevent the detacher from loss.

Wide Unlocking Range

Magnetic steel ≥ 5500 Gs. It can quickly remove a variety of EAS tags.

Scene

Suitable for supermarkets, malls, clothing stores and more.
