

# DHI-ISC-ETA5-T201-Y

## AM Clip Tag

- Environmentally friendly and economical, which can be reused after unlocking.
- Small and light design as well as unique appearance.
- High detection rate as well as excellent anti-theft effect.
- Lower labor operating costs, widely applicable in merchandising shops.
- Powerful locking mechanism, effectively preventing man-made damage.

### Introduction

The AM Clip Tag can be used together with the Acousto-Magnetic antenna to effectively prevent the theft of the commodities.

### Features

#### Excellent Adaptability of Multiple Commodities

Strong fixation effect, can be effectively fixed on commodities, not easy to be damaged unless the special unlocking device is used.

#### High Reuse Rate

High reuse rate after recycling.

#### Unmatched Detection Effect

Superior detection rate as well as outstanding anti-theft effect.

### Scene

The tag can be fixed on various commodities.

### Technical Specification

#### Performance

|               |              |
|---------------|--------------|
| Frequency     | 58 ± 0.5 KHz |
| Lock Cylinder | ≥ 5000 GS    |

#### Certifications

|                |                                                                                                                                    |
|----------------|------------------------------------------------------------------------------------------------------------------------------------|
| Certifications | Conform with RoHS Directive 2011/65/EU, 2015/863/EU and REACH regulations as defined in EC No 1907/2006 and subsequent amendments. |
|----------------|------------------------------------------------------------------------------------------------------------------------------------|

#### General

|                         |                                                  |
|-------------------------|--------------------------------------------------|
| Color                   | Yellow                                           |
| Bare Machine Dimensions | 47 mm × 42 mm × 31.5 mm (1.85" × 1.65" × 1.24")  |
| Packaging Dimensions    | 40 cm × 30 cm × 35 cm (15.75" × 11.81" × 13.78") |
| Weight                  | 9 kg (19.84 lb)                                  |
| Packaging               | Carton                                           |
| Packaging               | 500 Tags/Carton                                  |

#### Environmental Constraints

|                       |                                    |
|-----------------------|------------------------------------|
| Operating Temperature | Indoors, 0 to 50 °C (32 to 122 °F) |
| Operating Temperature | 20 % - 60 % (RH)                   |

### Ordering Information

| Type            | Model               | Description |
|-----------------|---------------------|-------------|
| ISC-ETX5 Series | DHI-ISC-ETA5-T201-Y | AM Clip Tag |
