

954353

Battery

- The Battery can be easily installed into MPTs. The replaceable battery greatly extends the service time that the device can be used and their overall service life.
- Compatible: MPT230 series

Series Overview

The Battery can be easily installed into MPTs. The replaceable battery greatly extends the service time that the device can be used and their overall service life.

Technical Specification

General	
Battery Capacity	3200 mAh
Operating Temperature	−30 °C to +55°C (−22 °F to +131 °F)
Operating Humidity	< 95% (RH), non-condensing
Net Weight	58 g (0.13 lb)
Gross Weight	60 g (0.13 lb)
Product Dimensions	58 mm × 45 mm × 9 mm (2.28" × 1.77" × 0.35") (L × W × H)
Packaging Dimensions	69 mm × 49 mm × 48 mm (2.72" × 1.93" × 1.89") (L × W × H)
